**Mindspeak**-Heather Sunseri 2013-01-25 She was created for a purpose so revolutionary, someone was willing to kill for it. Seventeen-year-old Lexi Matthews keeps two secrets from her elite boarding school classmates—she’s the daughter of a famous and controversial geneticist, and she can influence people’s thoughts. But after new student Jack DeWeese heals her broken arm with an anything-but-simple touch, he forces Lexi to face a new reality—her abilities reach much further than speaking to the minds of others. After Lexi’s father goes missing and she receives threatening emails, she can’t decide whether to fall into Jack’s arms or run and hide. As Lexi seeks answers to what she and Jack are, she discovers a truth more unsettling than anything her science books can teach. And letting Jack into her life of secrets is not only a threat to her very existence, but it just might break her heart wide open.

**Mindsurge**-Heather Sunseri 2014-10-01 This is the third book in the Mindspeak series. Wellington Boarding School is home to human clones, an identity that Lexi Matthews once hoped to escape. Shattered by the loss of her father and then her best friend at the hand of Sandra Whitmeyer, the woman from whom she was created, Lexi Matthews is after one thing... Revenge. When Sandra sends a series of threatening “gifts” beginning the night of Lexi’s eighteenth birthday, she determines that Sandra will never stop destroying the lives of her and her friends. Once again, Lexi must battle to grasp the complexities of her creation. As Lexi and Jack discover the horrific details to experiments Sandra is conducting with human life inside her new lab, Lexi decides there’s only one way to end Sandra’s threats. But following that path could cost her everything—including Jack.

**Tracked**-Heather Sunseri 2015-06-02 A year-old murder in the rainforest of Costa Rica haunts Raven MacMillan. Details of the tragedy she witnessed remain suppressed deep inside her subconscious. When circumstances force her to return to the scene of the crime, someone makes it abundantly clear: Raven isn’t welcome. Finally healing from his girlfriend’s murder, human clone Kyle Jones is on a mission: find the stolen trackers scientists are using to control the actions of innocent children. When he meets Raven, he uses his supernatural gift to explore her repressed memories and discovers the missing trackers have everything to do with who is now watching Raven. And who killed his first love. As past and present collide, Raven struggles to face her demons, but remembering the truth of that fateful night could prove fatal. And Kyle will do anything to ensure the past isn’t repeated.

**Mindsiege**-Heather Sunseri 2013-11-18 This is the second book in the Mindspeak series. An intruder has seized control of Lexi Matthew’s mind, putting those closest to her in grave danger. When someone snakes into Lexi’s head and threatens Jack’s life at Lexi’s own hand, she must quickly decide: leave Jack and the web of lies and controversial medical science behind in order to protect him, or stay and fight to regain control of her own mind but risk Jack’s life. Before Lexi can choose, she’s immersed into the underground world of the International Intelligence Agency, where she discovers the realm of cloning and mind control is much larger than she and Jack ever imagined and is growing bigger and more dangerous. As the band of teenage human clones uncovers more of their supernatural abilities, a dominant force inside the IIA is at work to take over their powers. Can Lexi stop the person who has invaded her mind before the IIA captures them all, or will she sacrifice herself to save those she loves?

**Emerge (Emerge Trilogy Book 1)**-Heather Sunseri 2015-03-03 “Plagues and politics and romance, oh my! Dystopia meets science fiction in Emerge, the first book in a new series from popular YA author Heather Sunseri. ...Truly, a well-crafted dystopian romance! Don’t miss this one!” ~Serena Chase, USA Today’s Happy Ever After blog, author of The Ryn Six years ago, a highly contagious virus wiped out more than ninety-nine percent of the country’s population. The only person to contract the virus and survive, Cricket fled her identity and the safety of New Caelum, an airtight city. Now eighteen, she watches the city where the wealthy cocooned from the devastating outbreak. When the city’s rumbling incinerator wakes her one night while she and her friends are camping just beyond the city walls, she alone knows what the fiery machine means: the lethal virus is back. Only eighteen, Westlin Layne is already being groomed to succeed his mother as New Caelum’s next president. Suddenly West’s sister develops symptoms of the deadly virus thought to be eradicated years ago. Placed under quarantine, the president confesses to West a long-held secret: Christina Black, West’s childhood friend and first love, survived the virus, and her body alone holds the precious antibodies to save his sister. Now West must leave the city to find Christina. But Cricket has no intention of being found.

**Death is in the Details**-Heather Sunseri 2019-05-20 A woman haunted by her past. A killer who won't let her forget. Faith Day's condition curses her to recall her mother's fiery murder like it was yesterday. And when the forensic photographer's convicted stepbrother is somehow cleared 12 years later and released from prison, Faith wonders if he'll put an end to her tortured memories. But after a string of eerily familiar fires tear through her small town, Faith starts to question every detail of her traumatic past. Luke Justice won't rest until he catches a notorious serial killer masking his murders in arson. Following a trail of deadly blazes to Faith's doorstep, the FBI agent senses she holds the key to the case. But if he can't convince her to open up, Luke fears he'll miss his best chance to put a psychopath behind bars. As Faith fights the resurgence of dark emotions, an arsonist begins leaving personal totems in her home. Determined to stay alive, she taps into the only weapon she has against the vicious murderer: the echoes of her childhood nightmare. Can Faith help Luke unmask the true killer before they both go up in flames? Death is in the Details is a chilling standalone thriller novel. If you like small-town mysteries, psychological thrillers, and spine-tingling twists, then you'll love Heather Sunseri's latest page-turning tale. **Exposed in Darkness**-Heather Sunseri 2017-01-10 Just days before the running of the biggest thoroughbred horse race in the world, an act of bioterrorism kills Kentucky’s lieutenant governor, and former FBI Special Agent Brooke Fairfax receives a video of the murder from her long-time anonymous source. When Brooke discovers domestic terrorists are actually after the governor—her late husband’s brother—and that the radicals are eyeing more targets, she heads to Kentucky to stop the threat. Shortly after the political assassination, the FBI zeroes in on one person: international mogul Declan O’Roark. Though Brooke has been out of the game since her husband was murdered, her former boss thinks she is the perfect candidate to connect Declan to the crime. Despite the FBI clearly establishing means and opportunity, Declan remains unfazed; his motives have nothing to do with murder, but with getting closer to Brooke Fairfax. And Brooke finds the case becoming even more unclear as she falls for the FBI’s number one suspect.

**Secret is in the Bones**-Heather Sunseri 2021-01-17 She needed peace, not murder. He wanted love but found danger. Will a talented pair of investigators live to see their romance bloom? Forensic photographer Faith Day can’t forget her tortured past. And returning to her hometown to help care for her nephew means rebuilding all she’s lost. But her brave plans shatter when her best friend is suspected of her own husband’s brutal slaying...

FBI Special Agent Luke Justice never rests until the culprits are caught. But when a violent case touches the life of the woman he loves, he can't help but make it personal. And with a second investigation into a vicious prison gang diverting all his attention, he fears he'll struggle to protect her from the killer's disturbing taunts. Discovering an ominous photo of herself at the crime scene, Faith is terrified the murderer is someone she knows. And when Luke uncovers a sinister connection to Faith, he suspects they're all being lured into a lethal trap. Can Luke and Faith stop the slaughter before they join the body count? *Secret* is in the *Bones* is the beguiling third tale in the Paynes Creek Thriller romantic suspense series. **Covered in Darkness**-Heather Sunseri 2017-08-01 Now the Director of the Kentucky Office of Homeland Security, Brooke Fairfax has one objective: Stay on top of all threats to the people and property of the Commonwealth. The position is thankless and never-ending. It even pulls her out of Declan O'Roark's bed in the middle of the night. A power grid failure has struck Kentucky's largest city and Brooke assumes the role of lead coordinator for the investigation. The power outage pushes the city to the brink of chaos. Police, fire, and rescue workers are overwhelmed—their efforts crippled by failed communication systems, looters ransacking businesses, hospitals running on emergency generators, and people desperate to find safety in a city quickly eroding into lawlessness. While experts scramble to restore the grid before thousands lose their lives, Declan receives word from an intelligence contact that an eastern European cell of cyber terrorists are looking to take down the power grid for the entire Eastern Seaboard. Brooke and Declan must combine their efforts before the next attack. Just as Brooke and Declan get close to the truth, the attackers turn their attention on stopping their greatest threat—Brooke and Declan.

Now the disease is back, and the only hope for a cure lies within the sole person to survive the virus, a young girl—Cricket—who fled the city six years ago. Now, West must find Cricket, his best childhood friend who is now seventeen, before it's too late. The problem? Cricket has no intention of being found. Enjoy the journey of West and Cricket as they reject the power and authority of people who attempted to rebuild a country and search for some sort of a future in a world that has been destroyed.

**The Ripple Trilogy**-Cidney Swanson 2014-07-23 The First Three Ripple Books Together! When Samantha Ruiz turns invisible in front of team mates while rafting, she knows something's wrong. Her knowledgeable friend Will says she's got a rare genetic disorder. Fearing a lifetime sentence as a lab-rat, Sam wants to keep her ability secret. But she also wants to know if there's a connection between dark Nazi experiments on others like her and her mother's death eight years earlier. At the same time that Sam is sleuthing, she's falling hard for Will. And soon, she'll have to choose between keeping her secrets hidden and keeping Will safe.

**Deceived**-Heather Sunseri 2016-06-20 The passionate, impulsive Briana Howard and the sly, snarky Jonas Whitmeyer make a perfect mess of a couple. Both are stubborn, smart, and sexy. They're also human clones with supernatural powers. Jonas had resigned himself to a solitary life on the remote island of Palmyra, home of Sandra Whitmeyer's clandestine clone-growing lab. With young clones now inexplicably dying, Jonas is torn between feeling responsible for cleaning up his mother's mistakes—alone—and his desire to be with Bree. A heated tussle on Palmyra leaves Jonas and Briana further apart than ever. Bree storms off to Portland, Oregon, but not before encountering clones of a loved one lost long ago. Jonas tracks down Briana in Portland, where they race to discover the truth about ties between the Howards and the Whitmeyers against a host of obstacles and enemies. Will Jonas and Bree find a way to be together amid an ever-shifting maze of deceit, misdirection and danger unearthed by the darkest of family secrets?

**Frankenstein's Cat**-Emily Anthes 2013-03-12 Winner of 2014 AAAS/Subaru SB&F Prize for Best Young Adult Science Book Longlisted for the PEN/E.O. Wilson Literary Science Writing Award One of Nature's Summer Book Picks One of Publishers Weekly's Top Ten Spring 2013 Science Books For centuries, we've toyed with our creature companions, breeding dogs that herd and hunt, housecats that look like tigers, and teacup pigs that fit snugly in our handbags. But what happens when we take animal alteration a step further, engineering a cat that glows green under ultraviolet light or cloning the beloved family Labrador? Science has given us a whole new toolbox for tinkering with life. How are we using it? In *Frankenstein's Cat*, the journalist Emily Anthes takes us from petri dish to pet store as she explores how biotechnology is shaping the future of our furry and feathered friends. As she ventures from bucolic barnyards to a "frozen zoo" where scientists are storing DNA from the planet's most exotic creatures, she discovers how we can use cloning to protect endangered species, craft prosthetics to save injured animals, and employ genetic engineering to supply farms with disease-resistant livestock. Along the way, we meet some of the animals that are ushering in this astonishing age of enhancement, including sensor-wearing seals, cyborg beetles, a bionic bulldog, and the world's first cloned cat. Through her encounters with scientists, conservationists, ethicists, and entrepreneurs, Anthes reveals that while some of our interventions may be trivial (behold: the GloFish), others could improve the lives of many species—including our own. So what does biotechnology really mean for the world's wild things? And what do our brave new beasts tell us about ourselves? With keen insight and her trademark spunk, Anthes highlights both the peril and the promise of our scientific superpowers, taking us on an adventure into a world where our grandest science fiction fantasies

are fast becoming reality.

**Cut in Darkness**-Heather Sunseri 2017-04-04 After dozens of Lexington, Kentucky's forgotten—mostly prostitutes and the homeless—swamp local hospitals from apparent overdoses over the 4th of July weekend, Kentucky cops soon discover a new synthetic form of heroin is infecting their communities, and that gangs—namely the outlaw motorcycle gang Samael's Army—are responsible for using a “disposable” population to test the new drug. Soon after, the deadly new drug claims the daughter of a U.S. senator, and FBI Director Jack Waller assigns Brooke Fairfax to the case. Because the synthetic opioid was created in a lab, the feds turn to the expertise of billionaire chemist Declan O'Roark, who is all too happy to lend a hand if it will bring him closer to Brooke. As Brooke and Declan are forced to work together, Declan attempts to tear down the barriers around Brooke's heart. But when Brooke gets drawn into the depths of the outlaw motorcycle gang she's investigating, she and Declan both fear for her life.

**The Body Institute**-Carol Riggs 2015-09-01 "The Body Institute is a roller coaster of a book. This fast-paced sci-fi thriller grapples with issues of identity and scientific technology run amok in a society only two steps ahead of our own, while scrutinizing an all-encompassing obsession with being thin which is very much part of the here and now. Readers will love the twists and turns and be prompted to question their own relationship to technology, body image and the ever-growing power of mega-corporations." - C.K. Kelly Martin, author of Yesterday and Tomorrow Meet Morgan Dey, one of the top teen Reducers at The Body Institute. Thanks to cutting-edge technology, Morgan can temporarily take over another girl's body, get her in shape, and then return to her own body-leaving her client slimmer, more toned, and feeling great. Only there are a few catches... For one, Morgan won't remember what happens in her "Loaner" body. Once she's done, she won't recall walks with her new friend Matt, conversations with the super-cute Reducer she's been text-flirting with, or the uneasy feeling she has that the director of The Body Institute is hiding something. Still, it's all worth it in the name of science. Until the glitches start... Suddenly, residual memories from her Loaner are cropping up in Morgan's mind. She's feeling less like herself and more like someone else. And when protests from an anti-Body Institute organization threaten her safety, she'll have to decide if being a Reducer is worth the cost of her body and soul...

**A Thief Consumed**-Heather Sunseri 2018-10-11 Terrorists and United States Special Forces descend on Paris when Lola Parks stumbles upon top secret information that could get her killed. Lola Parks has waited twelve years to exact revenge against the man who destroyed her family and compelled her into a nomadic life as a master thief, stuck in a constant cat-and-mouse game to avoid Interpol. When she breaks into Claude Marquis' wine cellar to steal a crate of extremely valuable wine—the last of her family's legacy—Lola stumbles across highly classified information that could get a national leader, and Lola herself, killed. Dimitri Tobias forced himself apart from Lola for more than a year, terrified he would lead Jack Barnes, a British crime boss who wants Lola dead, to her doorstep. But when Interpol approaches Dimitri with new evidence about Lola's crimes, and terrorists blow up her Paris flower shop, Dimitri realizes Lola needs him now more than ever. The problem? It's going to take a lot more than the threat of prison or terrorists' wrath to scare Lola back into Dimitri's arms. Can Lola let go of her anger toward Dimitri and her need for revenge long enough to escape the men who want Lola dead? Or will she find that Dimitri's desires for her are far more dangerous? In A Thief Consumed, Parks abandons her unrealistic desire to break away from a life of crime. Instead, she discovers being a well-known, internationally-wanted thief just might get her exactly what she wants. Download A Thief Consumed, and raise a toast to friendships betrayed, plots of political assassination laid, and debts of revenge repaid. You'll be up all night drinking in this one!

**Deadly Design**-Debra Docket 2015-06-02 The emotional power of If I Stay meets the survival story of Maze Runner Genetically engineered identical twins Kyle and Connor McAdams were born two years apart. Their parents figured it was safer that way, to increase their odds of survival. Connor was born first, paving an impossibly perfect path for Kyle to follow. He was the best at everything—valedictorian, star quarterback etc. Kyle never thought he'd be able to live up, so he didn't even try. But when Connor, 18, suddenly drops dead of a heart attack, and Kyle learns of other genetically modified kids who've also died on their eighteenth birthdays, he's suddenly motivated—to save his own life. Like Connor and all the rest, Kyle was conceived at the Genesis Innovations Laboratory, where the mysterious Dr. Mueller conducted experiments on them. The clock's ticking as Kyle searches for answers: who was Dr. Mueller really, and what did he do to cause their hearts to stop at eighteen? He must unravel the clues quickly, before, he too, becomes another perfect, blue-eyed corpse.

**The Water Wars**-Cameron Stracher 2011-10-01 Welcome to a future where water is more precious than oil or gold... Hundreds of millions of people have already died, and millions more will soon fall-victims of disease, hunger, and dehydration. It is a time of drought and war. The rivers have dried up, the polar caps have melted, and drinkable water is now in the hands of the powerful few. There are fines for wasting it and prison sentences for exceeding the quotas. But Kai didn't seem to care about any of this. He stood in the open road drinking water from a plastic cup, then spilled the remaining drops into the dirt. He didn't go to school, and he traveled with armed guards. Kai claimed he knew a secret-something the government is keeping from us... And then he was gone. Vanished in the middle of the night. Was he kidnapped? Did he flee? Is he alive or dead? There are no clues, only questions. And no one can guess the lengths to which they will go to keep him silent. We have to find him-and the truth-before it is too late for all of us.

**You & Me at the End of the World**-Brianna Bourne 2021-08-05 This is no ordinary apocalypse... Hannah wakes up to silence. The entire city around her is empty, except for one other person: Leo. Stuck with only each other, they explore a world with no parents, no friends, and no school and realise that they can be themselves, instead of playing the parts everyone expects of them. Together, they search for answers amid crushing isolation. But while their empty world may appear harmless . . . it's not. Because nothing is quite as it seems, and if Hannah and Leo don't figure out what's going on, they might just be torn apart forever. Perfect for fans of John Green. A romantic apocalypse story like no other.

Determined to discover why she's been granted these powers, Evie struggles to accept her place in a prophecy that will either save the world, or completely destroy it.

**From Mormon to Mystic**-Erin Jensen 2014-11-26 From Mormon to Mystic: Journey from Religious Disillusionment to Soulful Liberation chronicles the journey of a sixth-generation Mormon woman. She travels a path that takes her from a tightly knit and theologically strict religious community to the open expanses of a mystical understanding of reality. Erin Jensen weaves together the account of her transformation and the strands of insight that come from James Fowler's Stages of Faith. By rooting her narrative in the vivid details of the steps she takes along the way, the author tells how she weathers her life's challenges, including a federal court "witch" trial, and emerges from the depths of several "dark nights of the soul." While From Mormon to Mystic immerses itself in the details of one life, it simultaneously offers guidance for anyone seeking to overcome the strictures of rigid systems of belief and behavior. In its pages, the reader will learn how to make his or her way toward freedom and wholeness by understanding how faith develops, learning to work with shadow qualities, practicing non-attachment, taking personal responsibility, trusting one's ability to choose, appreciating the power of total forgiveness, connecting to inner sources of wisdom, and embracing a state of consciousness filled with hope, love, and peace. From Mormon to Mystic: Journey from Religious Disillusionment to Soulful Liberation offers both a narrative of one woman's path to spiritual freedom and a guide for others who seek their own way from the confines of their current circumstances to the liberation they desire to envision for the own futures.
